## Green Spaces

Our more than 46 miles of trail ways have more than 600,000 visitors per year! We have many city parks including Guignard Park, Granby Gardens, Glenwood Park, Burnette Park, and Churchill Garden that offer great scenery, outdoor recreation, grills, picnic areas, and playgrounds for kids to enjoy.

## History

The Cayce Historical Museum takes you back in time to the first European settlements and is modeled after a trading post from the 1700's. Exhibits emphasize periods of colonial trade, Native American Artifacts, agricultural development, and transportation from the 18th century through the present time. Recently, an exhibit was added highlighting the 1964 Little League World Series Championship team from Cayce.
