COMMON CAUSES OF HIGH WATER BILLS

LEAKS

Water &/or sewer bills are calculated, in part based on consumption (with the exception of some outside of city flat rate sewer areas), so a leak can result in a much higher than normal water bill. Some leaks are easier to find than others, such as a dripping faucet or a running toilet. If you suspect a toilet leak, but do not hear it running, a good way to find out if it has a leak is to place a few drops of food coloring in the tank and wait a few minutes. If the water in the bowl turns color, you have a leak and the flapper probably needs replacing.

WATERING THE LAWN

Watering the lawn is often the number one use of water, especially with an irrigation system. To help conserve water and expenses, the following tips are suggested:

- Water early in the morning (before 10am) to avoid evaporation
- Mow less frequently in dry weather to heights of 1 ½'-2"
- Leave the clippings or use mulch
- Use a timer and do not over water or water driveways or roads
- Adjust timer for each zone based on sun, shade, and temperature
- In Spring check for damage and/or leaks from broken/frozen pipes
- Check monthly for broken heads or other problems
- Check hoses for poor connections
- Use a sprayer that can be turned off
- Use soaker hoses when applicable
- Use a rain barrel to collect rainwater for irrigation/watering plants

An Irrigation Meter that measures water going through the meter for irrigation may lower water bills. However, there are other costs to consider, such as the installation, yearly test of a Testable Backflow Device, the connection of the Irrigation System to the Irrigation Meter, and the additional Water Base Rate charge.

CHANGE IN WATER USE

A higher than normal bill can also be the result of additional guests, filling a swimming pool and/or seasonal demands. The City of Cayce bases residential water use on 1 Residential Equivalent Unit (300 gallons/day). This equates to 18,000 gallons on a bimonthly bill. However, every this is just a guideline. Once again, leaks and irrigation systems can greatly increase the average use.

SANITATION, RECYCLING & YARD TRASH COLLECTIONS

HOUSEHOLD TRASH COLLECTIONS

The City of Cayce provides each of its residents with a roll cart for household garbage. If you move out of town or to another location within the City limits, call the Sanitation Department so we can pick up your cart. It cannot be taken with you when you move. The City maintains ownership of the cart at all times.

Please keep our city clean and litter free by putting garbage in securely tied plastic bags and placing it in the roll cart. Your roll cart should be placed for collection on the morning of pickup - not before, and pulled back in that evening.

RECYCLING

The City of Cayce encourages you to support our Recycling Program. Recycle bins can be purchased at City Hall for \$15.00 each. Please follow these guidelines for recycling:

THE CITY OF CAYCE HAS A LEASH LAW

All animals are to be kept either on a leash or in a secured enclosure. Animals seen running loose will be picked up and impounded by an Animal Services Officer. Owners will be required to pay a fine (and may require spay/neuter) before animals will be released.

Any additional charges incurred by maintaining the animal shall be passed on to the owner upon redemption.

Our ordinance and State law require rabies vaccination for all pets.

In addition, anyone walking or owning an animal is required to clean up any waste deposited by the animal on public or private property of anyone other than the property of the animal's owner.

If you have any questions or need additional information, contact the Cayce Police Department at 803-794-0456

GARAGE SALES

If you're planning a Garage Sale, please note the following guidelines as outlined in the City's Zoning Ordinance relating to garage sales:

- A permit must be obtained from City Hall for each sale and posted at the site of the sale. The cost of each permit is \$8.00 per day for a maximum of six (6) days per permit. The maximum number of permits allowed per year is four (4) per family.
- Off-street parking shall be provided for all persons attending the sale.
- No new or used merchandise shall be purchased or brought in for the sale.
- All merchandise shall be that of the family or families conducting the sale.
- Only one sign may be posted advertising the sale and the sign should be placed on the private property of the person conducting the sale. Hours of the sale shall be from 8:00am to 6:00pm.
- The use of a public address system is prohibited.
- No alcoholic beverages of any type shall be served or given on or near the premises.

If upon inspection by the City Manager or a designee, the inspector or a policeman, finds that in his/her opinion the ordinance is being violated, a citation will be issued or the right to continue with the sale will be terminated at once.

If you have any questions regarding Garage Sales, please contact City Hall at 796-9020 ext. 3059.

FIREWORKS ORDINANCE

The City of Cayce has a Fireworks ordinance. Fireworks may be discharged within the City only on July 4th from 10:00am until 10:00pm and on December 31st from 10:00am until January 1 at 1:00am.

IT TAKES ALL OF US TO MAKE IT WORK!

The following is a list of Cayce's citizen committees. Typically, committees meet once a month at the City Hall Complex.

From time to time, we need citizens to fill partial or full terms. If serving on one of the committees is of interest to you, please feel free to contact Mendy Corder at City Hall, 550-9557. Some committees require that one or more individuals have specific experience, others simply need persons who possess the desire and commitment to serve.
