Business License Information

Every person engaged or intending to engage in any calling, business, occupation or profession listed in the rate classification index portion of this article, in whole or in part, within the limits of the City of Cayce, South Carolina, is required to pay an annual license and obtain a business license as herein provided.

The fee you will pay is based on your class code. Your business type determines your NAICS code, which indicates which Class Code you are in for the business license. You can find a list of NAICS codes on their website, <https://www.census.gov/eos/www/naics/>. The information for business licenses is available on our web site, <http://www.cityofcayce-sc.gov/business.asp> under the Business License section. The Business License year for the City of Cayce is January 1st – December 31st.

All Contractors are required to submit a copy of their South Carolina Labor License and Regulation card in order to obtain a business license.

The first time a business license is applied for, the gross is based on the estimated gross income you anticipate in the City of Cayce for the remaining months in our business license year.

All business licenses renew on January 1st regardless of when it was first purchased for the In-City businesses or Out-of-City businesses that pay license fees annually. In-City businesses are given a grace period up to April 15th to renew. A 5% penalty per month is enforced if paid after April 15th. Out-of-City businesses and contractors are required to obtain or renew their license prior to starting any job after January 1st.

When licenses renew on January 1st, if you have not been in business for a full year, the total gross is calculated by taking the money collected during the portion of the year the business was open and estimating that number over 12 months.

The next year your gross is the actual total gross in the City of Cayce based on the previous calendar year as reported on your tax return (Jan. – Dec.).

If your business had \$0 income for the previous year, you are still required to renew at least for the base fee **OR** terminate your business license.

You are responsible for letting us know if you have closed your business or moved. If you wish to close your business license with the City of Cayce you will need to provide us with a written request that is signed and dated in order to terminate your license.

Renewals are sent out around the end of December. You are responsible for renewing whether or not you have received a renewal application form.

For your convenience, this application may be returned by mail or in person. Please note the rate classification printed on your Business License application. The classification rates are as follows:
