

NOTICE

The City of Cayce will begin Phase III and Phase IV of our State Street Revitalization Project.

Construction is expected to begin May 16, 2011 and anticipated to be completed by September 30, 2011.

Improvements will include demolition of the existing sidewalks, replacement with ADA compliant sidewalks, curb & gutter, lighting and limited landscaping.

You may experience some disruption. However, please keep in mind that this will be a tremendous improvement to the overall area.

Should you have any questions or concerns, please feel free to contact Rebecca Rhodes, City Manager at 796-9020.
