## **PLANT MAINTENANCE TECHNICIAN I**

Utility Department

**\$14.98 - \$17.73/HR DOE**

The City of Cayce currently has a position available as a Plant Maintenance Technician I. The class is responsible for performing journeyman-level work in the inspection, maintenance and repair of the City's water and wastewater treatment plants and related equipment and facilities, and to perform other skilled and semi-skilled work as required. The class works according to some procedures but decides how or when to do things; work is reviewed regularly by supervisor.

Preferred requirements include a high school diploma or equivalent supplemented by formal training, special courses or self-education that is equivalent to satisfactory completion of one year of college education or specialized advanced training in mechanical, electrical and/or instrumentation maintenance and repair, or a closely related field. Requires two or more years of related experience and Journeyman electrical, mechanical or instrumentation certification. Prefer proficient reading of electrical and electronic drawings and schematics.

Excellent benefits package that includes State Retirement and paid health insurance. Applications are available on the city website: [www.cityofcayce-sc.gov](http://www.cityofcayce-sc.gov). **A valid SC Driver's License with a good driving record is required. Must provide DMV report at first interview. Application required.** EOE
