IX. Adjourn

SPECIAL NOTE: Upon request, the City of Cayce will provide this document in whatever form necessary for the physically challenged or impaired.

Memorandum

To: Mayor and Council

From: Tracy Hegler, City Manager

Date: July 29, 2020

Subject: Bid Acceptance for Cayce Riverwalk Boardwalk Repair

Issue

Council's approval is needed in order to accept the bid from 3D Dirtworks for the construction repair of the boardwalk located in Phase 2 of the Cayce Riverwalk.

Discussion

On May 25, 2020, the Congaree River rose nearly to the 1000-year flood level causing the entire Riverwalk and the Thomas Newman Public Boat Landing to flood. This flooding caused severe structural damage to the boardwalk located between the Blossom Street Bridge and Kelly Jones Park. That portion of the Riverwalk has been closed since and will remain closed until the repair has been completed. The City received three bids to repair the boardwalk, based on design prepared by the Landplan Group South.

Construction Firm	Amount
3D Dirtworks	\$85,000 w/ 20% Contingency = \$102,000
Southern Vistas Inc.	\$229,920
AOS Specialty Contractors Inc.	\$687,500

City staff and the project designer Landplan Group South recommend selecting 3D Dirtworks of Sumter, SC with a bid of \$85,000. It is further recommended that we add a 20% contingency bringing the total to \$102,000. The contingency is for any unforeseen additional damage that may be discovered during construction. This was the lowest bid submitted and is responsive to the request.

Recommendation

Staff recommends Council approve the selection of 3D Dirtworks to repair the boardwalk located in the phase two area of the Riverwalk for a not to exceed amount of \$102,000 and authorize the City Manager to execute appropriate agreements. The funds will be allocated from the Hospitality Tax Fund.
