

The Mayor's Youth Task Force

The Mayor's Youth Task Force is open to any high school student enrolled in Lexington 2 schools or a student who is a Cayce resident who is enrolled in a private or homeschool. The Youth Task Force was created to help young people engage in civics and public service opportunities in their city. Students involved in the program gain insight into municipal government, their city and leadership. Students get to participate in national non-partisan youth events, assist the city with special events, work polls in election years, and more!

**Mayor Elise Partin's Youth Involvement Task Force Application
2021-2022**

Name: _____

School: _____

Age: _____ Grade Level for 2021-2022 School Year: _____

Please list any extracurricular activities you are involved in. These can either be school affiliated or outside of school. Also, list any leadership roles you fill in these activities (past or present): _____

In order for Mayor Partin and the current Task Force members to get to know you better, please answer the following questions to the best of your ability.

What sparks your interest in being a member of the Youth Involvement Task Force? _____

Do you feel that it is important to be involved within your community? If so, why? _____

What are three leadership characteristics that you feel you embody and could bring to the table?

What is your definition of a leader?

If chosen to be a member of the task force, how do you hope to benefit from this experience? _____

Please list a personal email address, so that we may contact you if needed. Thank you for your interest in being part of Mayor Partin's Youth Involvement Task Force.
