FORM MUST BE COMPLETED BY OWNER BEFORE SERVICE IS STARTED

As a condition to receiving water and /or sewer services, I (or we), the owner or owners of the property listed below, do hereby agree to petition the City of Cayce for annexation when the property is or becomes contiguous to the City Limits. It is my (or our) understanding that the City will notify me (or us) at the mailing address listed below when this occurs. Once notified, I (or we) shall have thirty days to submit an annexation petition on the appropriate City form. Failure to submit said petition in a timely manner may result in the discontinuance of City water and/or sewer services.

I (or we) further acknowledge that I (or we) have read and understand Section 40-2, "Annexation of Property", of the Code of Ordinances of the City of Cayce, which is incorporated herein and reproduced below in its entirety:

Sec 40-2.

Annexation of property.

As a condition for the provision of water or sewer service to property outside the city limits, the property owner shall execute an agreement to petition the city for annexation of the property when it is or become contiguous to the city limits. The city reserves the right to discontinue services upon the failure of the property owner to submit the required petition. A petition for annexation may be rejected when it is determined to be in the best interest of the city to do so, and the city shall have the option to continue service to the property. All water and sewer tap permits are issued subject to compliance with all ordinances and regulations of the city, including future amendments.
